Subject: We Have Moved

We have relocated our Colorado Springs office:

**MH Lighting and Controls**  
**4815 List Drive, Suite 100**  
**Colorado Springs, Co. 80919**

Our phone and fax number did not change, and are as follows;

**Phone 719-266-0050**  
**Fax 719-266-0049**

Please update your records for our **Colorado Springs Office Only**, to reflect this new address. We have mail forwarding in place, as well as forwarding for UPS deliveries. But updating your records as quickly as possible will help us complete this transition to our new facility.

Thank you  
Scott Jackson
